ReThink BCIT Field Trip

Tuesday April 4th 2017

Dear Parents and/or Guardians,

As part of your son/daughter's ReThink program here at North, we have the students working with community partners throughout the year on various projects and assignments. We have an opportunity to take all the students in ReThink to the BCIT Applied Research Campus in Burnaby for a tour of their research labs and facilities and to talk with BCIT professors. The Applied Research Department at BCIT use both scientific and technical studies and seeks innovative solutions to real world problems for their clients and sponsors. This is the same innovated process we are using in ReThink for their own project based inquiry.

The field trip will take place on **Tuesday April 4th 2017**. We have a bus taking all the students to the CARI building at BCIT and returning them to North. We will be **leaving North at 12:00 noon and returning by 2:30pm**.

If you have any questions or concerns, please contact myself or any of our ReThink teachers. We kindly ask that all field trip forms be returned no later than Friday March 10th 2017.

Sincerely,

Ms. Corine Carey
Social Studies Department Head
ReThink Teacher
