

# EXPLORATION & THE NEW WORLD

## Questions

1. Why do you think that countries in Europe wanted to find new land and set up new colonies?
2. What is a colony in your own words?
3. Who would want to move to a new colony? Why would they leave behind everything they knew to move to a new foreign land? Explain.
4. What do you think would be 4 obstacles in moving to the 'new world'?
5. If you lived in Europe during this time, would you or would you not have wanted to move to North America and the new colonies?
