

THE INDUSTRIAL REVOLUTION

Name: _____

Date: _____

Block: _____

The Industrial Revolution had many horrible things (child labour, poor working conditions, pollution, etc) but it also had many major changes that improved things overall (better farming tools, trains, etc). In the chart below, write at least FIVE pros and FIVE cons of the Industrial Revolution.

PROS of the Industrial Revolution

CONS of the Industrial Revolution

How would you define a **REVOLUTION**? Give your own definition:
